C. H. West's eldest girl came near getting seriously burned and possibly the house destroyed Tuesday night. The eldest—Martha—had left a candle burning on a chair near the bed and fell asleep. About 3 o'clock Mr. Isaacson was awakened by smoke coming into his adjoining room. It was soon discovered that the smoke came from the girl's bedroom upstairs, and on rushing in found the clothing and bedding on fire and burning within one foot of the sleeping girl's hair. Fortunately the fire was soon smothered out. This is the second close call by fire in this house in one year.

Catch a Dreadful Cold.

Marion Cook, manager for T. M. Thompson, a large importer of fine millinery at 1086 Milwaukee Avenue, Chicago, says: "During the late severe weather I caught a dreadful cold, which kept me awake at night and made me unfit to attend my work during the day. One of my milliners was taking Chamberlain's Cough Remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by John Boyden & Son.

MISSIONARY EXPERIENCE.

Elder J. D. Barber writes of his labors in Michigan.

Pontiac, Mich., March 25, 1901.

EDITOR TIMES:
I thought if I should write a few lines it would find space in your paper and fill up some of the space caused by the omission of letters from your correspondents. You will note that I have been assigned to a new field since I wrote you last, which was some four months ago.

At Pontiac, my former field of labor, was one where I enjoyed myself very much. While laboring there I met with good success, making many friends and some investigations. But I was very much surprised when we tried to secure a place in which to hold conference and were unsuccessful. We tried the second high hall, but the price was out of our reach, and understanding that some of the churches were open to different speakers we tried them, but were refused. At last we asked for the court house and it was granted, but when the work started we were "Mormons" we were refused in such a way as to make no impression. On Feb. 16th I bid farewell to friends in Ann Arbor and took the cars for Jackson, a distance of 30 miles.

On Feb. 22nd and 23rd our conference was held in Jackson. We were favored by the presence of Pres. L. A. Kelsch and Rev. J. A. Serron of Chicago, making 22 Elders in attendance at conference. On account of storms and other reasons our conference was not very largely attended; however we enjoyed ourselves. At the priesthood meeting held on the 22nd I was assigned to come to this city and labor. On arriving here my companion and I secured board and room on 29 Park street, which we made our headquarters. Since we arrived here my path has not been strewn with roses, neither have I been all thumbs. The people are not very desirous of listening to the words we have for them. Many shut the door in our face, but we are not in the field long before we get used to such treatment. In one of the churches we were called "devils from the pit," "wolves in sheep's clothing," etc.; but the words of Paul—II Timothy 3:12—are very comforting.

We are having delightful weather here at present. The song of the robin can be heard, which is quite welcome after a long dreary winter; but we dare not say much, as Michigan is changeable.

The Times is a welcome visitor and is read with interest by the keen eyes of one who longs for its arrival.

I am, as ever, your brother,
J. D. BARBER,
29 Park Street, Pontiac, Mich.
